## AZDPS PC STATEMENT

On 01/08/19 at approximately 2010 hours, I responded to a two vehicle collision on State Route 80 MP 382.7.

Upon arrival I conducted an on scene investigation. During the investigation, it was discovered that a tractor trailer bearing Texas Plate of R376109 was traveling westbound On State Route 80 MP 382 and was being driven by Dinko Blaskovic DOB 11-16-19 also out of Texas. While Driving westbound on State Route 80, Mr. Blaskovic began to pass a different tractor trailer also traveling westbound on SR80 with two male subjects in it out of Douglas, AZ. At this point Mr. Blaskovic was passing in a no passing zone, around a left hand curve, going up hill in between two rock walls making it impossible for Mr. Blaskovic to know if there was a vehicle coming in his direction. In the eastbound lane coming in his direction, was a green Dodge van bearing New Mexico plate of PJF410 with two male subjects in it out of New Mexico and Arizona. Gregory Wayman, the driver of the green van died on scene due to this collision. The passenger, Dennis Mc Avoy was sent to the hospital by air ambulance with serious injuries. Due to Mr. Blaskovic passing a different tractor trailer and not making it back to the westbound lane before reaching the green van, his tractor trailer collided half head on with the van causing it to hit the rock wall on the south side of the roadway and then flipping it on its side. His tractor trailer then came to a stop as i jack knifed just past the point of impact. After taking care of the injured passenger, I placed Mr. Blaskovic under arrest and advised him of his charges due to his driving actions. After completing the on scene investigation, Mr. Blaslovic was transported to the Cochise County Jail in Bisbee and booked.
